## ABOUT HUMAN TRAFFICKING

Human Trafficking is mostly done for the purpose of sexual exploitation. It is the second largest criminal industry in the world and unfortunately is the fastest growing. Texas ranks second in the US in reported trafficking cases. In Dallas/Fort Worth, the commercial sex industry annually generates \$98.8 million dollars.

**On any given night, there are as many as 400 minors sold for sex on the streets of Dallas alone.**

## ABOUT POIEMA FOUNDATION

The Poiema Foundation is a local nonprofit in the DFW area that fights for women who have been trafficked. They educate the public and raise awareness in order to prevent sexual abuse, sex-trafficking and other methods of sexual exploitation. Poiema helps women who have been victimized start over and begin recovery through trauma-informed care programs. Poiema offers rehabilitation, educational opportunities, job training and transitional housing that provides food, shelter and security to help them transition to a place of self-sufficiency and independent living.
