

PASTORAL REFERRAL

I, _____, agree that
_____ would be a great member of
the Poiema Foundation ministry team. I am aware that Poiema is an outreach to women locally in the
sex industry, and I believe that the above mentioned has the spiritual, mental, and emotional
maturity to be a part of this type of ministry. I believe that she has discernment and is
compassionate and loving towards others. She has integrity and fulfills her commitments. There is
nothing I am aware of that would prevent this person from being an asset to the Poiema team.
She is actively growing in her walk in Christ, and I strongly recommend her for this type of ministry.
